B a n g a l o r e

SIR

Adverting to Government Order No R 13 065-7 Ml 34-19-93 dated the 12th June 1920, sanctioning the purchase of an 8-ton compound Steam Road Roller from Messrs Marshall Sons & Co , Madras, at a cost of Rs.11,000/- for the consolidation of roads in the Visvesvarapuram Extension and other City Improvement Works I have the honor to state that an order was placed with the firm for the engine on 18th June 20 but the firm wrote saying that the value of it had risen to Rs 16,850/- The City Improvement Committee considered the question at their meeting held on 14th August 1920 and, in supersession of their previous decision to go in for a roller of Messrs Marshall Sons & Co, resolved to get a roller of the same type by Messrs John Fowler & Co Bombay, for the reason that a roller of this firm was tried in the Municipality and found very satisfactory and that an order might at once be placed with the latter firm to save time and consequent fluctuation in price On enquiry, Messrs John Fowler & Co , Bombay, quoted Rs 16 530/- for a roller of the said type delivered at Bangalore duly erected, and an order was at once placed with them They have acknowledged the order and promised immediate delivery

2 The City Municipal Council also approved of the purchase of the engine from Messrs Fowler & Co , at their meeting held on 4th September 1920 and I submit herewith for the information of

2346

2

Government, copies of the resolutions of the City Improvement -- Committee and the Municipal Council

3. I request that sanction of Government may kindly be accorded to the purchase of the Steam Road Roller above referred to from Messrs John Fowler & Co

4 The cost of the engine will be met from the sale proceeds of sites in the Visvesvarapuram Extension as originally proposed

I have the honor to be,

Sir,

Your most obedient servant,

Chairman
City Improvement Committee,
Bangalore

7 Letter dated 22nd June 1920 from Messrs Larshall Sons & Co , Madras, stating that the value of an 8 ton Steam Road Roller of the compound type for which they formerly had quoted Rs 10 565/- has risen to Rs 16,850/- F O R Madras

Also Municipal Engineer's Memo dated 12th August 1920 recommending the purchase of an 8 or 6 ton steam road roller manufactured by Messrs John Fowler & Co , Bombay

Resolution -- In supercession of the former decision to get an 8 ton steam road roller from Messrs Marshall Sons & Co the Committee prefer to get an 8 ton compound cylinder steam road roller from Messrs John Fowler & Co , as a steam road roller of this firm has been tried in the Municipality and found very

satisfactory The order may be placed at once to save time and consequent fluctuation in price
